Earn two degrees in one year!

When you study abroad with our Global MBA, you have the option of obtaining a master’s degree in International Management from Sapienza University in Italy.

That’s in addition to earning your MBA from Northern Illinois University!

- Save time and money by getting two degrees in only one year.
- Graduate with international business skills in demand in today’s global marketplace.
- Learn how to manage and work with domestic and international teams.
- Be prepared for where life takes you.

*Study abroad and dual degree programs are specifically structured to provide students with the time necessary to complete both degrees. Please note that all study abroad trips require students to purchase travel insurance. Students are responsible for all housing, meals, and travel insurance costs. Travel insurance is strongly recommended. Students can purchase travel insurance from NIU.

"The academic environment that Northern Illinois University’s double degree experience provides is extremely unique by nature. I can truly say that enrolling in the MBA program was the best decision I made and it prepared me for my career path."
